

Board Charge to Beloved Community Committee

The Beloved Community Committee is charged with

1. Helping the congregation build and embrace a just and multi-cultural world. This ongoing spiritual work includes the following:
 - educating ourselves about the history of oppression and freedom from oppression;
 - encouraging examination of individual and congregational processes to facilitate ongoing self-assessment;
 - taking action within the congregation and the larger community to become a fully realized anti-racist, anti-oppression, multicultural community.

2. Sponsoring classes, sermons, retreats and ongoing activities to engage our community in discovery around historical issues of race, ethnicity, class, gender and social justice - in our world, our country, our town, our denomination and within our church. We engage the whole congregation in active exploration of what it takes to build the fully realized beloved community we dream about.

One Board member shall serve on the Beloved Community Committee.
